Leading the drug development enterprise in the adoption and utilization of standardized metrics and benchmarks to drive performance improvement.

Founded in 2006, MCC is the leading industry association dedicated to the development of standardized performance metrics to improve clinical trials. MCC provides the collaborative environment for biopharmaceutical and device sponsors, service providers and sites to improve clinical trial development through use of MCC standardized performance metrics.

Based on MCC membership requests, MCC has built a benchmarking database and reporting tool for use with MCC's metrics portfolio. Members who choose to participate in the MCC benchmarking database can load in their own MCC metrics data, can track their own performance over time, and compare their data to aggregated, anonymized data from their peers.

Mission statement

Our mission is to help sponsors, service providers and sites in pharma, biotech and medical devices improve development processes through standardized performance metrics (time, cost & quality). We provide these value-added services:

- ❖ Collaborative development of standardized performance metrics and tools
- ❖ Encouraging implementation of the metrics and tools among MCC members
- ❖ Sharing of best practices, challenges and industry
- ❖ Training to support the use of performance metrics and tools

Driving improvement through collaborative use of standardized metrics

To complete your **INDIVIDUAL** account, please fill out the following form.

Complete the form and SUBMIT. Your account will be activated by the MCC within 24-48 hours.

How to set up a user account if your organization is a MCC Member

Thank you for completing a Metrics Champion Consortium membership application. For information about our programs and services, please logon to our website <http://www.metricschampion.org>, where you can also manage your account and activities, register for events and join our programs.

If you just applied for an individual log on account and your company is already a member, you should be able to gain access to MCC content pages within 24 hours. If you have any problems, please contact me at [317-622-0266](tel:317-622-0266) x102.

If you just filled out a new company application form, please follow these steps **to complete your membership application**:

1. Click [here](#) and log onto the MCC website with the user name and password that you just created.
2. Select "About my membership" from the dropdown list at the upper right. Then click "Go".
3. Select your desired membership level (organization size plus MEMBER or LEADERSHIP) and then click "Submit".
4. Complete the credit card payment section OR click "Please send me an invoice" and then click "Submit".

If you paid by credit card in Step 4, then you should immediately become a full MCC member. Employees of your company can now sign up under your membership. Please note that it can take up to 24 hours for individual log in accounts to be fully activated.

If you clicked "Please send me an invoice" in Step 4 and you want to use a PO number, please send the PO number to:

Accounts Receivable
Metrics Champion Consortium
10 Winthrop Square, Fifth Floor
Boston MA 02110
billing@metricschampion.org

Sincerely,

Linda Sullivan, COO

[317-622-0266](tel:317-622-0266) x102

After you click submit this is the email you will receive informing the MCC that you have submitted your membership application form. Your account will be activated within 24-48 hrs.

Since you submitted an INDIVIDUAL user account please disregard this part of the email.
