

The MCC Ambassador Boot Camp Program

Industry consultants interested in becoming an MCC Ambassador need to complete the following MCC Ambassador Boot Camp steps:

Step One

Meet the following criteria:

- Have 10-plus years experience in the Clinical Research Industry
- Provide consulting services to Sponsor, Service Providers or Investigator Sites

Step Two

Successfully complete the *MCC Metric Boot Camp Course*, a one-hour, on-demand eLearning course that will help you gain and demonstrate metric knowledge. Upon Completion of this course, you will be able to:

- Recognize the need for proper performance metrics
- Measure what matters by aligning metrics with critical success factors
- Design metrics that are effective
- Develop complete metric definitions
- Apply effective metrics effectively
- Align performance metrics with organizational strategy

[Click here](#) to purchase the MCC Metric Boot Camp course.

Step Three

After the successful completion of the Boot Camp course, please contact [MCC Customer Service](#) to receive and sign the MCC Ambassador Nondisclosure and Confidentiality Agreement. This agreement states you will not share detailed versions of MCC metric sets, tools and educational material with non-MCC members.

Upon MCC's receipt of the signed agreement, you will be registered in the MCC Ambassador Network Searchable Database and have access to the MCC Member website.

Step Four

Agree to maintain MCC Ambassador status by completing an MCC refresher course annually along with an annual renewal.

For any question about the MCC Ambassador Boot Camp Program, please contact [MCC Customer Service](#).
